

The Summerland Chamber of Commerce Business and Community Excellence Awards Recognizes Businesses, Entrepreneurs, Individuals, and Organizations for their Successes and Contributions to the Local Economy and our Community.

This year, the entire process was completed and we were ready to hand out the awards at the gala when COVID-19 crisis caused us to change our plans. We have gone virtual with our presentations.

A really great video of the awards being presented can be viewed via the Chamber home page. summerlandchamber.com. We want to thank our awards sponsors for their continued support. More than ever it is time to shop local and support these sponsors.
